STAT 4. [] I spoke with Representative
STAT James C. Auchincloss (R., N.J.) concerning the follow-up letter which
STAT he had sent to the Agency which referred to his previous letter on the
STAT case of [] an applicant. Mr. Auchincloss was
STAT somewhat upset by the fact that he had not received an acknowledgement
STAT to his original letter. I explained to him that we had received separate
STAT correspondence from [] that these letters had been reviewed
STAT and that a response to his 17 February letter was on its way to the Director's
STAT office and he should receive a reply within the next few days.

STAT 5. [] John Lehman, Chief Clerk of the
STAT Joint Economic Committee, requested any information which we might
STAT have on a Spanish organization which has requested the Committee's
STAT permission to translate the Comparison of U.S. and Soviet Economies.
STAT The organization is the Instituto de Estudios Políticos. Lehman was
STAT advised that we would look into this and be in touch with him.

STAT 6. [] Dropped by the office of Senator
STAT Thomas J. Dodd (D., Conn.) to discuss with Mr. David Martin our review
STAT of the Senator's proposed report on his attendance at the conference on
STAT political warfare of the Soviets in Paris and meetings with various U.S.
STAT and foreign officials. Mr. Martin was tied up and suggested we contact
STAT him tomorrow on this.

STAT 7. [] Mr. Houghland, in the office of
STAT Legislative Liaison of State Department, called and requested information
STAT on []
STAT [] Houghland said these organizations had been
STAT highly critical of Secretary Herter and Mr. Dulles and he would like any
STAT information we might have on them. CI Staff is checking on this.
